Ref.No.49627-A1/55 dated 11.7.55.

Sir,

Sub: STATIONERY - Supply of one R.R.R. Duplicator to the District Medical Officer, South Kanara - Sanction requested.

*****

I forward herewith a copy of the D.O.C.No.7612/A1/55 dated 31-5-55 from the District Medical Officer, South Kanara requesting the supply of one R.R.R. Duplicator to his office. The Controller of Stationery and Printing, Madras who was referred to in the matter has stated that specific sanction of Government should be obtained for the supply of duplicator. I, therefore, request that the Government may be pleased to authorize the Controller of Stationery and Printing, Madras to supply one "R.R.R.Duplicator" to the District Medical Officer, South Kanara at an early date.

Yours faithfully,

CVV/7-7. FOR DIRECTOR OF MEDICAL SERVICES.

Copy of D.O.C.No.7612-A1/55 dated 31.5.55 from the District Medical Officer, South Kanara District to the Director of Medical Services.

****

This office has no R.R.R. Duplicator and work is severely handicapped. All circulars issued by the Director of Medical Services' office, Government of Madras and by the Director-General of Helath Services have to be communicated to all the Medical institutions. Also there is a great shortage of several forms such as M.T.C.100, x-ray requisition forms, Drunkenness form (certificate) form for sending specimen for pathological examination, reply reminder forms etc. since they have not been supplied by the Controller of Stationery and Printing, Madras. These being forms required for day to day use, cannot be typed but has to be roneoed. There being only one typist and one machine he is busy all day with current correspondence and has to work overtime to type and retype to produce the copies required. This is an expanding hospital the bedstrength of which is to be 302 in the immediate future and 526 in the near future. There is also additional correspondence to be dealt with the Medical College, Community Projects, National Extension Scheme and Block Development schemes.

I am satisfied that there is a dire necessity for a roneo duplicator for this office. May I therefore request you to kindly sanction one and also address the Controller of Stationery and Printing by D.O. letter to send one immediately.
